ILERA EKO NEWSLETTER

Quarter 3 2026

Message from the Permanent Secretary
Dr. Emmanuella Zamba

The Third Quarter of 2026 brought continued momentum in our efforts to make quality healthcare more accessible, affordable, and responsive to the needs of Lagos residents.

In this edition, we spotlight the key activities, developments, and achievements recorded during the quarter, showcasing the work being done to strengthen health insurance coverage, deepen engagement with communities and stakeholders, and improve the experience of healthcare access across the State.

As we continue on this journey towards Universal Health Coverage, every milestone represents a step closer to ensuring that more residents can access the care they need, when they need it, without financial hardship.
We appreciate the commitment of our enrollees, healthcare providers, partners, stakeholders, and staff whose contributions continue to drive the ILERA EKO vision forward.

Thank you for being part of the journey. We hope you enjoy this edition of the ILERA EKO Newsletter.

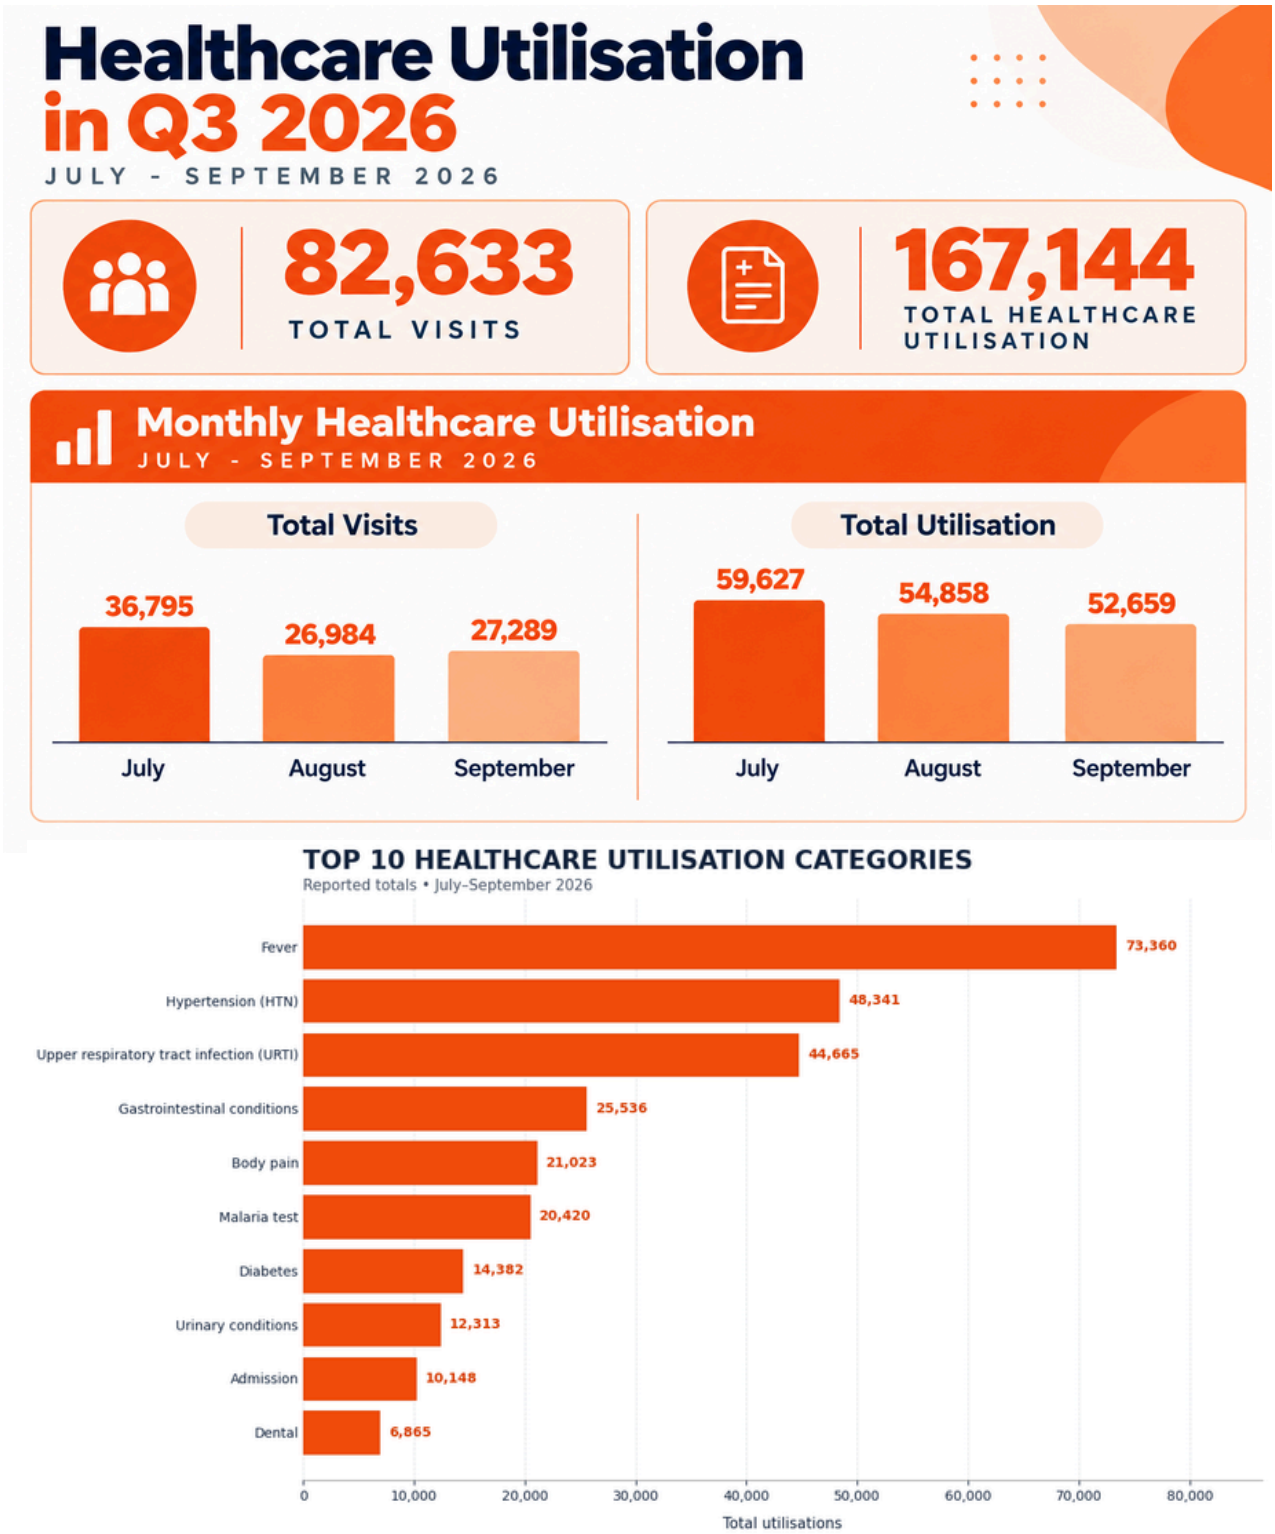
LASHMA Strengthens Collaboration with Pathfinder International to Advance Maternal Health

LASHMA welcomed representatives of Pathfinder International to explore opportunities for collaboration to improve maternal health outcomes and reduce maternal mortality.

The partnership supports LASHMA's commitment to expanding access to quality and affordable maternal healthcare through the ILERA EKO Health Insurance Scheme, ensuring women receive essential care throughout pregnancy and childbirth.

Together, we continue to advance health equity and Universal Health Coverage across Lagos State leaving no one behind.

ILERA EKO: Q3 2026 at a glance



Between July and September 2026, the ILERA EKO recorded 167,144 healthcare utilisations across 82,633 visits, highlighting the volume of healthcare service activity during the third quarter of the year.

Monthly utilisation stood at 59,627 in July, 54,858 in August and 52,659 in September. Fever emerged as the most frequently reported service category, followed by hypertension, upper respiratory tract infections, body pain and gastrointestinal conditions.

These figures offer valuable insights into healthcare utilisation patterns and provide an evidence base for LASHMA's continued monitoring, programme planning and efforts to improve service delivery under ILERA EKO.

Happy New Month From LASHMA

As we welcome a new month brimming with fresh opportunities, the Lagos State Health Management Agency (LASHMA) wishes all Lagosians a season of excellent health, peace, and prosperity. We remain firmly committed to safeguarding your well-being by providing seamless access to affordable, high-quality medical care through ILERA EKO and our various social health insurance programs.

Let this month be the time you place your health at the top of your list. Stay informed, take proactive care of your body, and ensure your family is fully covered. Together, let's keep moving forward to build a stronger, healthier Lagos. Happy New Month!

LASHMA Continues to Drive Health Insurance Awareness Across IBILE Communities in Quarter 3

The Lagos State Health Management Agency (LASHMA) continues to promote health insurance awareness across Lagos State, with a focus on strengthening grassroots engagement and encouraging residents to enrol in the ILERA EKO health insurance scheme.

Through the Ilera Eko, Ilera Ibile initiative, the Agency works with community stakeholders to bring health insurance information closer to residents, helping them understand the benefits of coverage and the importance of financial protection when accessing healthcare services.

LASHMA's community-focused approach also includes sensitisation, stakeholder collaboration and support for enrolment through grassroots structures, including Ilera-Ibile officers. These efforts aim to address information gaps, improve public understanding of health insurance and encourage greater participation in the scheme.

By engaging communities and promoting accessible, reliable information, LASHMA continues to support Lagos State's drive towards Universal Health Coverage, ensuring that more residents understand their health insurance options and the value of securing access to affordable, quality healthcare.

LASHMA Joins Head of Service Walk for Fitness

For the months of July, August, and September, the Lagos State Health Management Agency (LASHMA) proudly participated in the Head of Service Walk for Fitness Exercise, reinforcing its commitment to promoting healthy lifestyles, physical activity, and staff well-being.

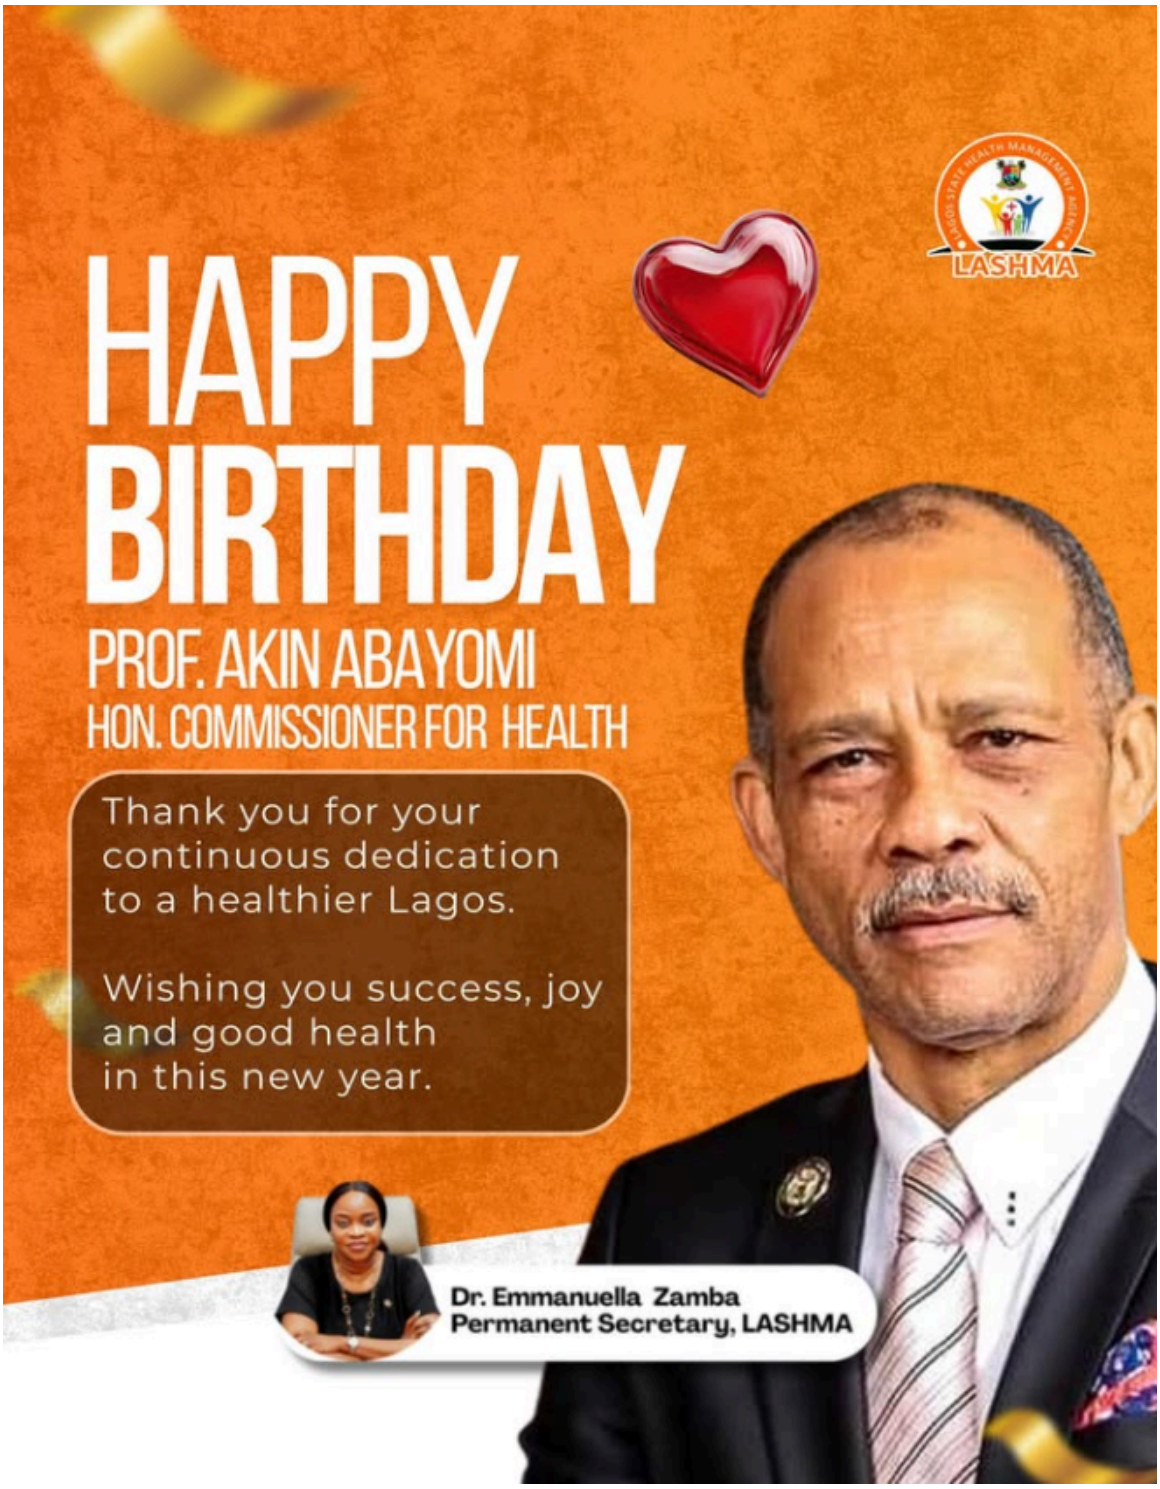
The monthly fitness walk brought together public servants in a shared effort to stay active, encourage healthy habits, and promote the importance of regular physical activity as part of a healthier lifestyle.

Through its participation, LASHMA continues to support initiatives that encourage wellness, team spirit, and preventive health practices among its workforce and the wider public service community.

Stay Active. Stay Healthy. Stay Well.

ILERA EKO, Leaving No One Behind!

Celebrating Our Amiable Commissioner for Health Prof. Akin Abayomi on His Birthday



The Lagos State Health Management Agency (LASHMA) celebrates the birthday of our Honourable Commissioner for Health, Prof. Akin Abayomi.

We celebrate his visionary leadership, unwavering dedication, and continued commitment to strengthening healthcare delivery across Lagos State. His contributions to the advancement of the state's health sector continue to make a meaningful impact and inspire those working towards a healthier Lagos.

On this special occasion, we wish the Honourable Commissioner many more years filled with good health, wisdom, fulfilment, and greater accomplishments in service to the people of Lagos State.

ILERA EKO Brings Healthcare Services Closer to Surulere Residents

Healthcare is now closer to residents of Surulere and its environs with the commissioning of the ILERA EKO Surulere Divisional Office, a dedicated one-stop centre designed to make health insurance services more accessible to the community.

The new office provides residents with convenient access to key services, including ILERA EKO enrolment, customer support and enquiries, health insurance information, and community outreach and engagement.

LASHMA Strengthens ILERA EKO Enrollment with Training of Enrollment Verification Officers

The Lagos State Health Management Agency (LASHMA) has trained Enrollment Verification Officers (EVOs) across Ministries, Departments and Agencies (MDAs) in Lagos State to strengthen the verification and enrollment process for public servants under the ILERA EKO Social Health Insurance Scheme.

As part of the initiative, EVOs will be responsible for verifying the ILERA EKO enrollment status of public servants using the QR code provided by the Agency before access to designated public services.
Beyond verification, the officers will serve as key points of engagement by educating and sensitising public servants who are yet to enroll in ILERA EKO. They will provide the necessary guidance and support to help eligible public servants complete the enrollment process

🎉 Celebrating Our May & June Celebrants!

At the Lagos State Health Management Agency (LASHMA), we believe that our people are at the heart of everything we do. We are delighted to celebrate the wonderful colleagues who marked their birthdays in May and June.

To all our May and June celebrants, we wish you a very happy belated birthday! 🥳 May this new chapter bring you good health, happiness, peace, fulfilment, and remarkable achievements.
We appreciate your dedication, commitment, and the valuable contributions you make every day towards advancing LASHMA's mission and strengthening healthcare delivery across Lagos State.
.
Here's to new opportunities, fulfilled dreams, memorable moments, and countless reasons to smile in the year ahead. Happy Birthday once again to all our May and June celebrants! 🎂🎈
We celebrate you and wish you many more fulfilling years ahead.

ILERA EKO Extends Health Insurance Coverage to Vulnerable Residents in Badagry

As part of the Community Storm held across three locations in Badagry, ILERA EKO facilitated free health insurance enrollment for vulnerable residents, bringing more people within reach of affordable and accessible healthcare coverage. This initiative reflects LASHMA's commitment to expanding health insurance coverage and ensuring that residents, particularly those in underserved communities, can access essential healthcare services without facing undue financial hardship.

Through the outreach, ILERA EKO continues to promote awareness of the importance of health insurance and encourage enrollment among eligible residents, particularly vulnerable populations who may otherwise experience barriers to accessing healthcare. By extending coverage to more communities, the scheme contributes to strengthening financial protection, improving access to healthcare, and reducing out-of-pocket health expenditure.

This engagement reinforces ILERA EKO's role in advancing Lagos State's Universal Health Coverage (UHC) agenda by ensuring that more residents are covered by health insurance and better positioned to access the healthcare services they need. Through sustained community engagement and targeted enrollment initiatives, ILERA EKO continues to support LASHMA's efforts to leave no one behind in the pursuit of equitable healthcare for all.

A New Month To Prioritise Your Health And Well-being

As we welcome the month of August, the Lagos State Health Management Agency (LASHMA) extends warm wishes to all Lagos residents for a healthy, productive, and fulfilling month ahead.
A new month is an opportunity to pause, reflect, and make choices that support our health and the well-being of our families. As we continue through the year, we encourage every Lagosian to make healthcare a priority by taking proactive steps towards staying healthy and ensuring access to quality healthcare when needed.

Through ILERA EKO, LASHMA remains committed to expanding access to affordable and quality healthcare for residents across Lagos State. From enrolment and healthcare support to community engagement and awareness initiatives, the Agency continues to work towards a healthier Lagos where no one is left behind.

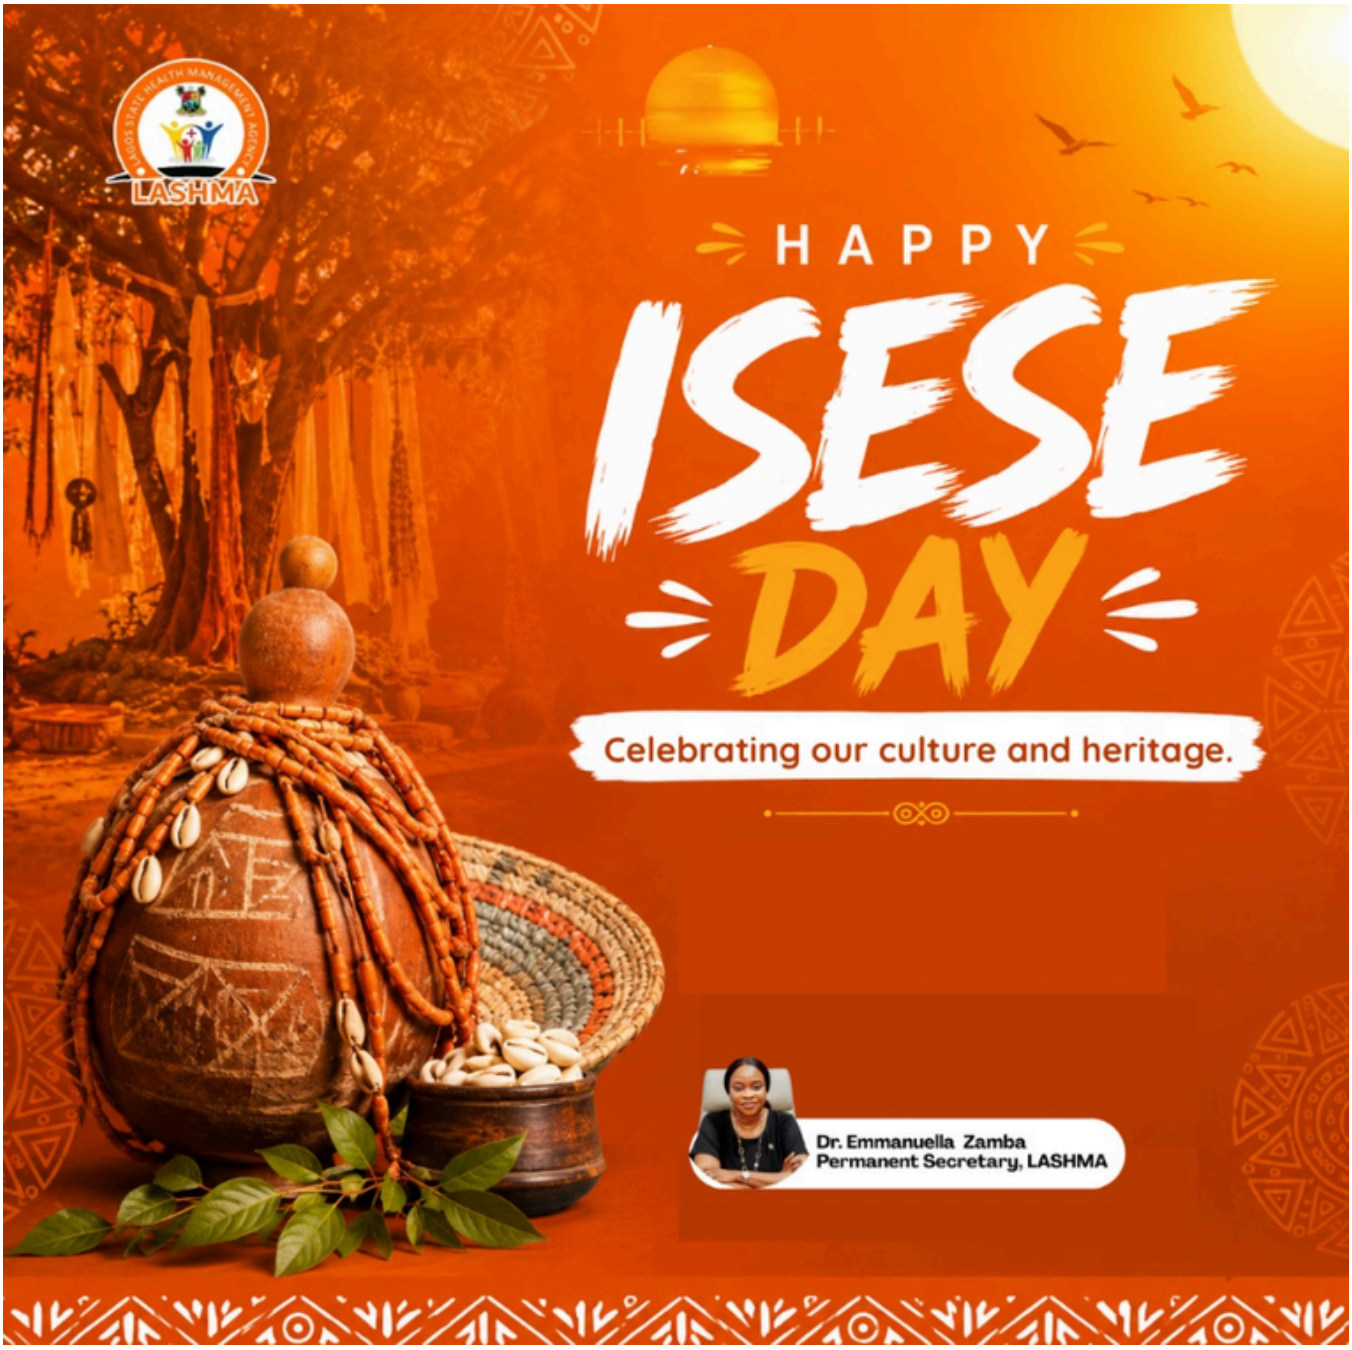
ILERA EKO DAY: Bringing Healthcare Closer to Lagos Communities

ILERA EKO DAY continues to make an impact across communities in Lagos State, bringing healthcare awareness and social health insurance information closer to residents. The initiative provided an opportunity for the Lagos State Health Management Agency (LASHMA) to engage directly with residents, answer questions, create awareness about ILERA EKO, and highlight the importance of accessible and affordable healthcare coverage for individuals and families. ILERA EKO Day was packed with fun, learning, and engaging activities. From Flip the Bottle and Fastest Finger games to health talks, medical check-ups, and one-on-one conversations, residents had the opportunity to interact with the LASHMA team, share their concerns, and get answers to their questions about ILERA EKO.

We didn't just talk about health insurance; we made awareness interactive, informative, and memorable. From Epe, Ojo, Ikorodu, and other communities across the state, residents came out to participate, interact with the LASHMA team, and learn more about how they can access the benefits of health insurance.

At the heart of ILERA EKO DAY is a simple message: healthcare should not feel far away. It should be accessible, affordable, and available to everyone. We appreciate all the communities and residents who welcomed the initiative, participated in the engagements, and continue to support the journey towards Universal Health Coverage (UHC) in Lagos State.

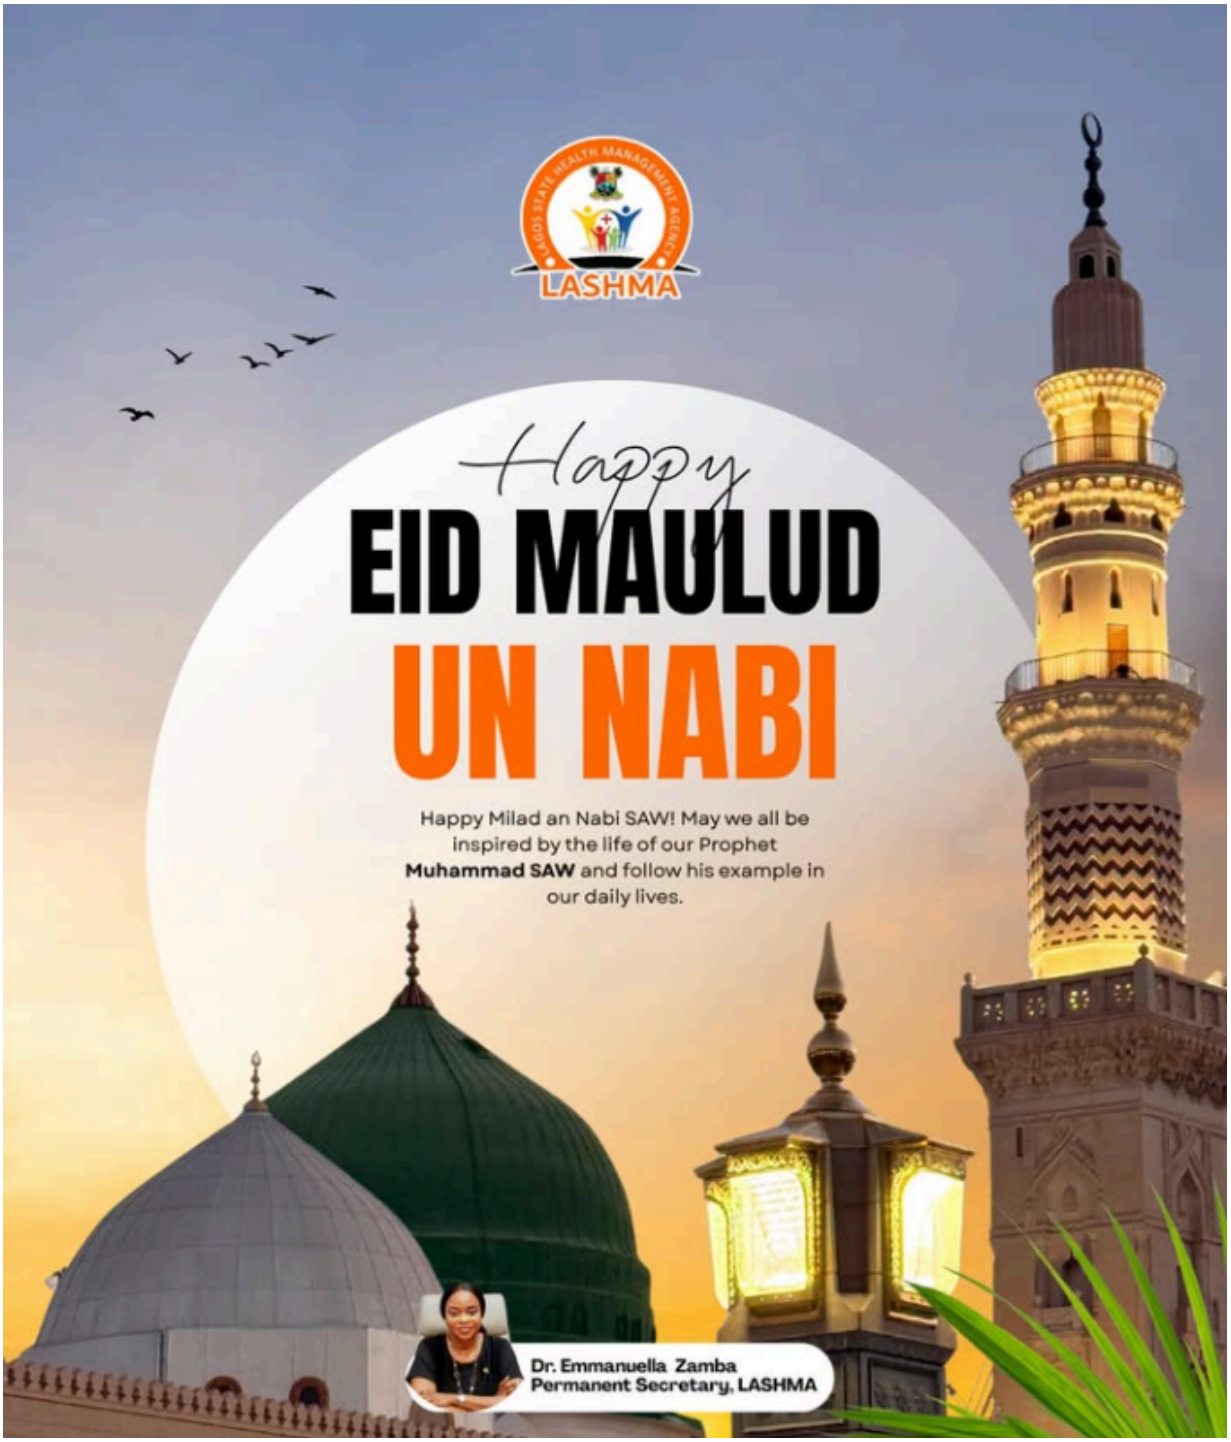
Celebrating Our heritage and Culture: LASHMA Commemorates Isese Day



Every time you wash your hands, you take a simple yet powerful step toward protecting yourself and everyone around you. This year's theme, "Action Saves Lives," is a vital reminder that consistent hand hygiene isn't just a routine it is a life-saving habit. At LASHMA, we urge healthcare workers, enrollees, and the general public to actively champion this cause. By washing your hands regularly, using hand sanitizers when necessary, and promoting proper hygiene in your homes, workplaces, and communities, you become part of the solution.

Because when we take action, we save lives. Together, we can build a safer, healthier Lagos.

LASHMA Celebrates Eid Maulud an-Nabi, Promotes Peace and Unity



The Lagos State Health Management Agency (LASHMA) extends warm greetings and best wishes to all Muslim brothers and sisters as they commemorate Eid Maulud an-Nabi, the birth of Prophet Muhammad (SAW).

The occasion offers an opportunity to reflect on the enduring values embodied in the life and teachings of the Prophet, including peace, compassion, kindness, humility and unity. These values continue to inspire individuals and communities to foster understanding, care and peaceful coexistence.

As Muslims across Lagos State and beyond mark this special occasion, LASHMA encourages everyone to embrace these virtues and allow them to guide our interactions and daily lives.
May this Eid Maulud bring peace, blessings and renewed hope to all families and communities.

LASHMA Strengthens Commitment to Quality Service Delivery

The Lagos State Service Charter Monitoring & Evaluation (M&E) Team paid a monitoring visit to the Lagos State Health Management Agency (LASHMA) Headquarters to assess our service delivery processes and evaluate the implementation of our Service Charter commitments.

The visit provided an opportunity to review existing service delivery practices, assess compliance with established standards, and identify areas for continuous improvement. It also reinforces the importance of responsive, transparent, and people-centred services across the Agency.

At LASHMA, we remain committed to accountability, professionalism, transparency, and excellence, ensuring that our processes continue to meet the needs and expectations of Lagosians. Together, we are building a health management system that is more responsive, accessible, and accountable to the people we serve.

LASHMA Engages Residents at BudgIT 15th Anniversary Town Hall

LASHMA joined the BudgIT 15th Anniversary Town Hall Meeting held at the Shomolu Local Government Area (LGA) Secretariat, providing an opportunity to engage directly with residents on healthcare access and the benefits of the Lagos State Health Scheme, ILERA EKO.

The engagement featured sensitization and interactive question-and-answer sessions, allowing residents to better understand ILERA EKO, ask questions about enrolment and access to healthcare services, and receive clarification on how the scheme supports individuals and families in accessing quality and affordable healthcare.

Through engagements such as these, LASHMA continues to take health insurance awareness closer to communities, listen to residents' concerns, and promote informed participation in the Lagos State Health Scheme.

Together, we are bringing healthcare coverage closer to the people, leaving no one behind.

Celebrating the Head of Service, Lagos State, Mr. Bode Agoro

The Lagos State Health Management Agency (LASHMA) joins public servants, and well-wishers in celebrating the Head of Service, Lagos State, Mr. Bode Agoro, on the occasion of his birthday.

We celebrate a distinguished leader whose dedication to public service, commitment to excellence, and passion for institutional growth continue to contribute to a more efficient and people-centred Lagos State. His inspiring leadership and selfless service have left a meaningful mark on the public service while encouraging and empowering those around him to strive for excellence.

As he marks another year, we give thanks for his life and the invaluable contributions he continues to make to the development of Lagos State. We pray for renewed grace, sound health, greater wisdom, and continued strength as he leads with distinction and purpose.

LASHMA ON AIR: Q3 MEDIA ENGAGEMENTS BY THE PERMANENT SECRETARY

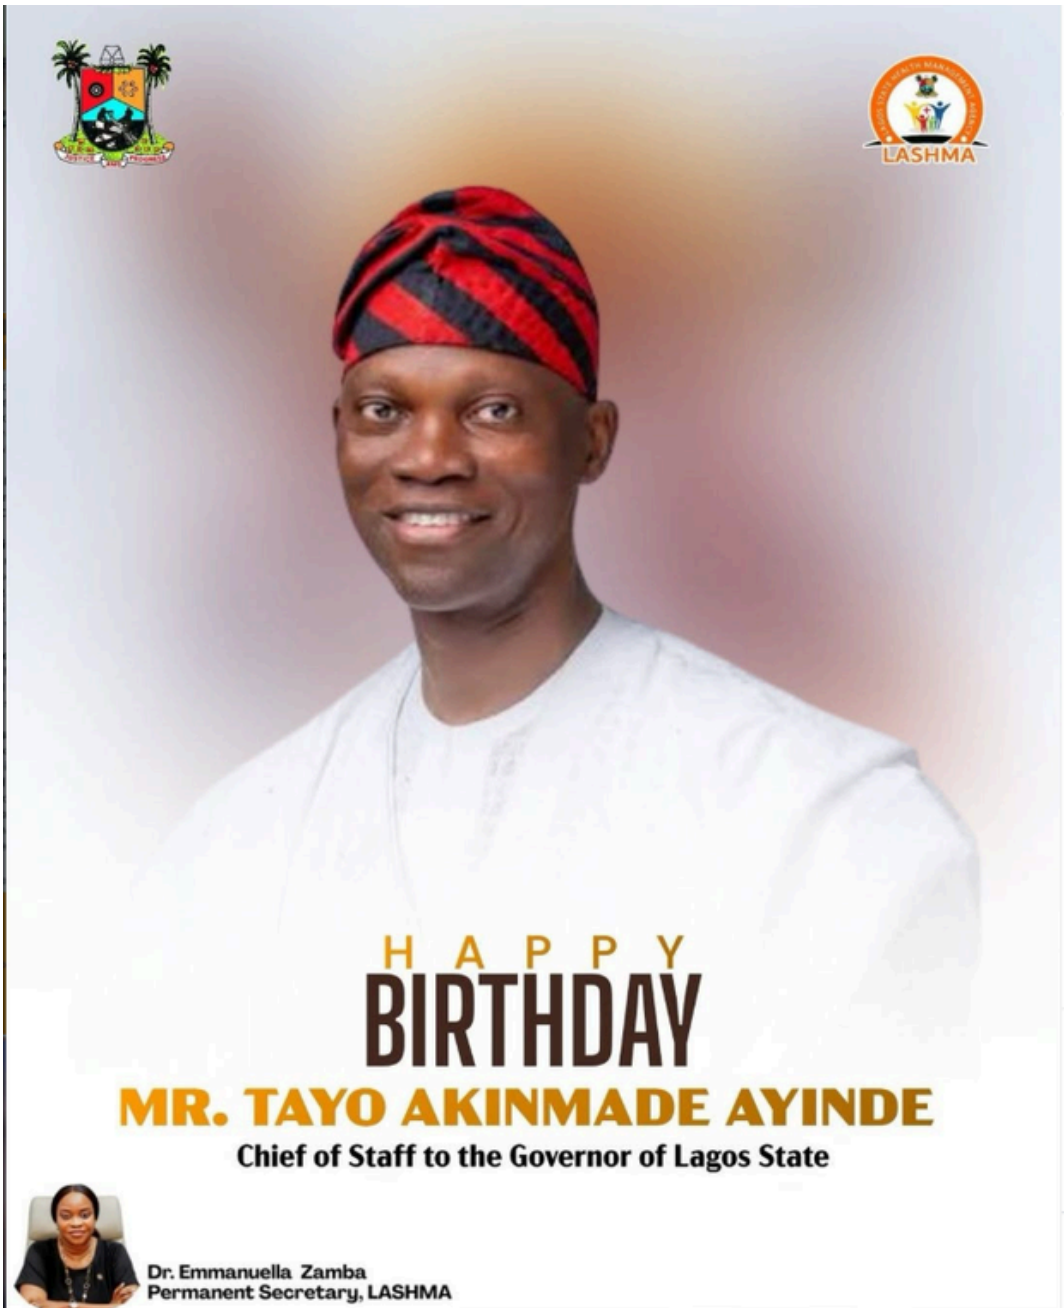
Throughout the third quarter of 2026, the Permanent Secretary, LASHMA, Dr. Emmanuella Zamba, participated in a series of radio and television engagements aimed at strengthening public awareness of health insurance, promoting ILERA EKO, and providing Lagos residents with information on accessing quality and affordable healthcare.

📻
The Isle 95.9FM – "Make We Yan"
In August, the Permanent Secretary featured on Make We Yan, hosted by Ikechukwu and OVIC, where she engaged listeners on health insurance for Lagos residents and ILERA EKO, highlighting the importance of health coverage and how residents can benefit from the scheme.

📺
Just Africa
The Permanent Secretary also featured on Just Africa, engaging viewers on health insurance, healthcare access, and the importance of increasing awareness and enrolment in ILERA EKO.

📻
"Edawa Lóhùn Pẹ̀lú Kafayat Adeola Orisile"
As part of the Agency's continued public enlightenment efforts, the Permanent Secretary also participated in Edawa Lóhùn Pẹ̀lú Kafayat Adeola Orisile, using the platform to engage the public on health insurance and the role of ILERA EKO in improving access to healthcare for Lagos residents.
Through these media engagements, LASHMA continues to meet Lagosians where they are bringing credible health insurance information closer to individuals, families, and communities.
Stay informed. Stay covered. Choose ILERA EKO.
LASHMA leaving no one behind.

LASHMA Celebrates Chief of Staff to the Governor, Tayo Akinmade Ayinde, on His Birthday



The Lagos State Health Management Agency (LASHMA), on behalf of its Management and Staff, warmly celebrates Mr. Tayo Akinmade Ayinde, Chief of Staff to the Governor of Lagos State, on the occasion of his birthday.

LASHMA acknowledges and appreciates his dedication, commitment and valuable contributions to the development and progress of Lagos State. His service, leadership and continued support remain significant to the advancement of the State.

As he marks another year, the Agency wishes him greater wisdom, renewed strength, sound health and continued success in all his endeavours.

May the years ahead be filled with greater accomplishments, fulfilment and opportunities to continue contributing meaningfully to the growth and development of Lagos State and humanity.

LASHMA Q3 Healthcare Provider Engagement

LASHMA commenced its Q3 Healthcare Provider (HCP) Engagement Meeting at the LASHMA Conference Room, bringing together healthcare providers from 10 Local Government Areas (LGAs) across Lagos State.

The engagement provided a platform to review key issues impacting service delivery and strengthen collaboration between LASHMA and its network of healthcare providers. Discussions focused on supply-side enrolment, emergency care coordination under LASHMA-AID, clinical audit, statutory documentation, policy updates, pre-authorisation processes, and the finalized Service Charter.

The session also featured an interactive discussion, giving healthcare providers the opportunity to share their experiences, raise concerns, ask questions, and provide practical feedback on ways to improve service delivery for ILERA EKO enrollees.

Through continuous engagement with healthcare providers, LASHMA is strengthening communication, addressing service delivery challenges, and fostering a more responsive healthcare system that supports quality and accessible care for all ILERA EKO enrollees.

LASHMA Welcomes September with Fresh Possibilities and New Beginnings

The Lagos State Health Management Agency (LASHMA) warmly welcomes everyone to the month of September. A new chapter filled with fresh possibilities, renewed hope and countless reasons to be grateful.

As we step into the new month, may it bring peace to our hearts, clarity to our decisions and favour in our endeavours. May every effort be met with success, every delayed blessing receive divine acceleration, and new doors of opportunity open in unexpected places.

At LASHMA, we remain committed to promoting accessible and affordable healthcare while working towards a healthier Lagos for all.

ILERA EKO RADIO SPOTLIGHTS

As part of its continued commitment to public enlightenment and health insurance awareness, LASHMA sustained its ILERA EKO Radio Spotlight across radio stations in Lagos State during the quarter. The initiative provided a platform to take important information about ILERA EKO directly to residents in their homes, workplaces, and communities.

Through these radio engagements, listeners were sensitised on the importance of health insurance, ILERA EKO enrolment, available benefits, access to healthcare services, and the role of health coverage in reducing the financial burden of accessing quality healthcare.

The radio spotlights also served as a reminder that health insurance is an important part of planning for individuals and families, while encouraging Lagos residents to seek credible information and take advantage of the healthcare coverage available through ILERA EKO.

LASHMA Commemorates World Sign Language Day

LASHMA joined the world and LASODA in commemorating World Sign Language Day, reaffirming the Agency's commitment to inclusion and accessible healthcare for all.

At LASHMA, inclusion goes beyond a message it is reflected in practical action. Through sign language training for staff, the Agency is strengthening accessible communication and equipping its workforce to better serve Deaf and hard-of-hearing residents.

The 2026 theme, "Declaring Deaf People's Human Rights," highlights the importance of recognising and protecting the rights of Deaf people, including their right to equitable access to essential services such as healthcare.
As we continue to improve the quality and accessibility of our services, LASHMA remains committed to creating an environment where every resident can communicate their healthcare needs, receive appropriate support, and access services with dignity and respect.

Accessible communication. Inclusive healthcare. Better service for all.

Presentation of Certificates of Compliance to MDAs

LASHMA hosted the Presentation of Certificates of Compliance to Ministries, Departments and Agencies (MDAs), recognising their commitment to meeting established standards and requirements for effective service delivery.

The certificates were formally presented by the Head of Service, Lagos State, Mr. Bode Agoro, during the event organised by the Lagos State Health Management Agency (LASHMA).

The occasion highlighted the importance of compliance, accountability, and adherence to established standards across government institutions, while reinforcing the collective responsibility of MDAs in promoting efficient and people-centred public service.

The recognition also reflects ongoing efforts to encourage professionalism, strengthen institutional processes, and uphold standards that support improved service delivery to Lagos residents.
Committed to excellence. Accountable in service. Leaving no one behind.

ILERA EKO Policy Updates

Dear Valued Clients,

Please take note of the following important reminders regarding your ILERA EKO health plan:

These policies ensure clarity and fairness for all.

1 Access to Premium Services

Only clients who pay the full annual premium upfront can access key services such as: Surgeries, Antenatal Care, Vaginal Delivery, Caesarean Section, Annual Wellness Checks
Clients on installment plans (individual or corporate) are not eligible for these services.

2 Corporate/Group Client Payments

Corporate or group clients must also pay the full annual premium at the start of the policy to access the services listed in Point 1. Installment payments do not qualify for access to premium services.

3 Policy Upgrade Restrictions

Clients cannot upgrade from an individual plan to a family plan mid-policy year. Upgrades are only allowed upon renewal after the current policy expires.

4 Non-Refundable Top-Up Payments

Clients cannot "top-up" installment payments during the year to gain access to full annual services. Such payments will not grant access and are non-refundable, regardless of prior communication.

Paying the full annual premium ensures full access to services.

For questions, contact our Client Services team.

LASHMA-AID Multi-Stakeholders' Engagement Meeting

LASHMA convened the LASHMA-AID Multi-Stakeholders' Engagement Meeting at the Lagos Chamber of Commerce and Industry (LCCI), Alausa, Ikeja, bringing together key stakeholders to strengthen emergency care coordination and referral pathways across Lagos State.

Held under the theme, **"Strengthening Emergency Care Coordination and Referral Pathways Across Lagos State,"** the engagement provided a platform for stakeholders to discuss opportunities for stronger collaboration, improved coordination, timely referrals, and more responsive emergency care services.

A key highlight of the engagement was the opportunity to hear directly from beneficiaries of LASHMA-AID, who shared their experiences of accessing emergency assistance and care through the programme. Their testimonies provided a human perspective on the importance of timely emergency response and the difference coordinated care can make for individuals and families during critical moments.

The beneficiary stories also reinforced the importance of strengthening the systems, partnerships, and referral pathways that support emergency care delivery across Lagos State.

Through continued collaboration with healthcare providers, emergency response partners, stakeholders, and the communities it serves, LASHMA is working to make emergency care more coordinated, accessible, and responsive.
Real stories. Real impact. Stronger emergency care.

Voices of Impact: What Our Enrollees Are Saying

I want to thank God and ILERA EKO because I registered on my first year and I never knew i was going to have an emergency CS, and ILERA covered my CS, everything, even the blood, thank you so much Gov Sanwo-olu and PS LASHMA.

I want to use this opportunity to thank LASHMA and Lagos state Government for saving my life, and for giving me hope for being alive and to focus for the future, because I had an accident at 3rd Mainland bridge and immediately the ambulance was called they responded to pick me up.

I started using ILERA since I got pregnant, and it has been really awesome, even until now that I had my baby already, the experience has really been awesome, and I will like to thank LASHMA and Lagos State Government for this.

Together, We Build a Healthier Lagos

As the third quarter of 2026 comes to a close, we are encouraged by the momentum recorded in our efforts to expand health insurance coverage and improve access to quality healthcare across Lagos State. The quarter has provided opportunities to strengthen collaboration with stakeholders, take health insurance awareness closer to communities, and support efforts to increase understanding and participation in ILERA EKO.

Our progress continues to be driven by the collective efforts of the Lagos State Health Management Agency, our healthcare providers, partners, stakeholders, and dedicated staff. Their commitment has remained instrumental in translating our vision for a more inclusive and responsive health financing system into meaningful action.

In the final quarter of the year, we will continue to build on these efforts by strengthening community engagement, improving service delivery, and pursuing practical approaches that support greater enrolment and sustained access to healthcare for residents across Lagos State.
We appreciate your continued partnership and commitment to the ILERA EKO journey. Together, we are taking important steps towards a healthier and more financially protected Lagos.
